Got my fever down, then weighed it up, and I know the  
Sounds remaining won't strain all the silt from my eyes  
Bleach the green from the pastures, feast on the grey  
Of the night, straight from the vines refusal to shine

You're my favourite thing - the one that I love

You're the one so I'd die for your love

Blind the deafened moon, stimulate the tombs of  
angels

I'll open my heart won't fall apart

Don't fall apart

You're my favourite thing

And I feel like letting go...Â...Â...
