You've never wanted
To know me before
Little or no association
Leave me alone, I wanna live
Stop suckin' the blood
Right out of me

Couldn't care less
If I died right now
Who am I?
I don't know, you tell me
You seem to know
Everything else

Need a pathway need a guide
Contemplatin' suicide
Wish I could be like you
You say you care but do you?
But do you?
Do you?

What if I
I can't move around?
(Around)
What if I
I can't move around?
(Around, around)

Burn
