Finished with my woman
'Cause she couldn't help me with my mind
People think i'm insane
Because I am frowning all the time

All day long I think of things
But nothing seems to satisfy
Think I'll lose my mind
If I don't find something to pacify

Can you help me
I want to find my brain

I need someone to show me
The things in life that I can't find
I can't see the things that make true happiness
I must be blind
Make a joke and i will sigh
And you will laugh and I will cry
Happiness, I cannot feel
I'd love to be, it's so unreal

And so as you hear these words
Telling you now of my state
I tell you to enjoy life
I wish i could, but it's too late
