The ending's the same,
past mistakes that you made,
come back to haunt you, you.

I made a mistake, I wish I could take,
back everything that I did.
I wanted to tell you, I really did.
But how do I explain this?

Promise me you will be there
Until the red light will change.
I would wait forever.
Promise me you will stay here
Until the darkness will fade,
I'd wait for you, you.

A mistake, wish I could take,
back everything that I did.
I wanted to tell you, I really did.
But how do I explain?

Promise me you will be there
Until the red light will change,
I would wait forever,
Promise me you will stay here
Until the darkness will fade,
I'd wait for you.

A mistake and I'm all on my own, I'll wait.
Wait for you.
A mistake and I'm all on my own, by myself.
Wait for you.
I'd wait for you... for you
I'd wait for you.
