Return it to you, that I kept it for a year.
All these times I figured you'd be here. (HEY!)

The last time I saw you, I tried to move right through
the crowd.
And I was calling your name, but the band played too
loud.
The last time I saw you, I tried to move right through
the crowd.
WAS CALLING YOUR NAME BUT THE BAND PLAYED
LOUD!

Note that I kept it for a year.
All these times I figured you'd be here (GO!)

The last time I saw you, I tried to move right through
the crowd.
And I was calling your name, but the band played too
loud.
THE LAST TIME I SAW YOU, I TRIED TO MOVE RIGHT
THROUGH THE CROWD!
WAS CALLING YOUR NAME BUT THE BAND PLAYED
LOUD!

Rodeo clown.
Rodeo clown.
Did you know?
Rodeo clown.
RODEO CLOWN!
