Drained as drained can be  
Life is gone from me  
Drained if drained is free  
If only I could breathe

Smellin' dead roses  
Smellin' dead roses

Take your mind with you  
There's no room for two  
I can't handle both  
Handle both of you

Smellin' dead roses  
Smellin' dead roses

But I won't fall down  
No I won't fall down  
But I won't fall down  
'Cause I won't fall down

Smellin' dead roses  
Smellin' dead roses

But I won't fall down  
No I won't fall down  
But I won't fall down  
'Cause I won't fall down
