Contain yourself  
I will compress  
What I am to  
Replace yourself  
With what you have  
Your substitute  
Only wanted a piece of myself  
Steam will rise  
Esteem will rise  
Steam will rise  
Esteem will rise

Refrain, confess  
Contain, repress

Pretend I'm dead  
Abuse myself  
Confuse myself  
I won't be led

Only wanted a piece of myself  
Only wanted a piece of myself  
Only wanted a piece of myself  
Steam will rise  
Esteem will rise  
Steam will rise  
Esteem will rise
