Those thieving birds  
Hang strung from an empty nest  
This swan plagued pond  
Forsaken and under whelmed

Those leaving words  
Hang strong from an emptiness  
Hang strong from an emptiness

Those thieving birds  
Hang strung from an empty nest  
Those thieving birds

This is tearing me apart  
If the sun won't shine  
Forever will never be fine  
And underneath the hollow ground  
Lies a night time sky  
For only a desperate eye

When I'm paranoid  
I see walls behind walls behind walls  
When I'm overjoyed  
I see falls over falls over falls

When I'm all alone  
I'll be wary and careful to

Only eat with uncles  
Never talk to strangers  
God is in the kitchen  
Faking baby dangers

Change whatever karma means  
For the only things  
That end never truly begin

If this streets air ain't up to par  
I'll take my clothes  
I'll take this strange behavior  
Not only liked but loved as well

If this streets air ain't up to par  
I'll take my clothes  
I'll take this strange behavior  
Not only liked but loved as well

When I'm paranoid  
I see walls behind walls behind walls  
When I'm overjoyed  
I see falls over falls over falls

When I'm all alone  
I'll be wary and careful to

Only eat with uncles  
Never talk to strangers  
God is in the kitchen  
Faking baby dangers

If this streets air ain't up to par  
I'll take my clothes  
I'll take this strange behavior  
Not only liked but loved as well

If this streets air ain't up to par  
I'll take my clothes  
I'll take this strange behavior  
Not only liked but loved as well

If this keeps tearing me apart  
The walls come down  
Won't stop this empty feeling  
For everything apart from this

Lonely in life, dead or alive  
If the truth had incursions  
No more goodbyes, no more big lies  
If the truth had versions  
As long as you and I are together

I'll hold onto the jewelry  
Like staple strapped clenched fist and tongs

Hang strung from an empty nest  
Those thieving birds  
[Incomprehensible] out, sing out  
Those thieving birds

[Incomprehensible] out, sing out  
Those thieving birds  
Hang strung from an empty nest
