Those thieving birds  
Hang strung from an empty nest  
This swan plagued pond  
Forsaken and under whelmed  
Those leaving words  
Hang strong from an emptiness  
Hang strong from an emptiness  
Those thieving birds  
Hang strung from an empty nest  
This is tearing me apart  
If the sun won't shine  
Forever will never be fine  
Underneath the hollow ground  
Lies a night time sky  
For only a desperate eye  
When I'm paranoid I see walls behind walls behind  
walls  
When I'm overjoyed I see falls over falls over falls  
When I'm all alone I'll be wary and careful to  
Only eat with uncles  
Never talk to strangers  
God is in the Kitchen  
Faking baby dangers  
Change what ever karma means  
For the only things that end never truly begin  
If this streets air ain't up to par  
I'll take my clothes and take this strange behaviour  
Not only liked but loved aswell  
If this streets air ain't up to par  
I'll take my clothes and take this strange behaviour  
Not only liked but loved aswell  
If this keeps tearing me apart  
The walls come down won't stop this empty feeling  
For everything apart from this  
Lonely in life  
Dead or alive  
If the truth had incursions  
No more goodbyes  
No more big lies  
if the truth had versions  
As long as you and I are together  
I'll hold onto the jewellery

Like staple strapped clenched fist and tongs  
Hang strung from an empty nest  
Those thieving birds  
Hang strung from an empty nest
