Those thieving birds
Hang strung from an empty nest
This swan plagued pond
Forsaken and underwhelmed

Those leaving words
Hang strong from an emptiness
Hang strong from an emptiness

Those thieving birds
Hang strung from an empty nest
Those thieving birds

This is tearing me apart
If the sun won't shine
Forever will never be fine
And underneath the hollow ground
Lies a night time sky
For only a desperate eye

When I'm paranoid
I see walls behind walls behind walls
When I'm overjoyed
I see falls over falls over falls

When I'm all alone
I'll be wary and careful to

Only eat with uncles
Never talk to strangers
God is in the kitchen
Faking baby dangers

Change whatever karma means
For the only things
That end never truly begin

If this streets air ain't up to par
I'll take my clothes
I'll take this strange behavior
Not only liked but loved as well

If this streets air ain't up to par
I'll take my clothes
I'll take this strange behavior
Not only liked but loved as well

When I'm paranoid
I see walls behind walls behind walls
When I'm overjoyed
I see falls over falls over falls

When I'm all alone
I'll be wary and careful to

Only eat with uncles
Never talk to strangers
God is in the kitchen
Faking baby dangers

If this streets air ain't up to par
I'll take my clothes
I'll take this strange behavior
Not only liked but loved as well

If this streets air ain't up to par
I'll take my clothes
I'll take this strange behavior
Not only liked but loved as well

If this keeps tearing me apart
The walls come down
Won't stop this empty feeling
For everything apart from this

Lonely in life, dead or alive
If the truth had incursions
No more goodbyes, no more big lies
If the truth had versions
As long as you and I are together

I'll hold onto the jewelry
Like staple strapped clenched fist and tongs

Hang strung from an empty nest
Those thieving birds
[Incomprehensible] out, sing out
Those thieving birds

[Incomprehensible] out, sing out
Those thieving birds
Hang strung from an empty nest
