Ohh, there's no time,
To choose for yourself,
It's like the candle's lit at both ends now
Dead see in her reigning hell
Parent's breakin' up,
Wish they were to find,
Where the truth in the carer
Can't make up their mind,

They wonder why you need someone,
You get no freedom at all,
They want you to drop down as you fall,
They make your self-esteem fall,

Undecided,
Can't make up their mind,
Her parents collided,
And left you behind,

If there's a lock to their minds
Can you tell me please,
How to stay,
Straight to get the key,

Undecided,
Can't make up their mind,
Her parents collided,
And left you behind,

Her mother doesn't even know her name,
Undecided,
If there is trouble, well she just gets the blame,
But tonight,

Undecided,
Can't make up their mind,
Her parents collided,
And left you behind,

Undecided,
Undecided,
Undecided,

Undecided,
Ohh.
