Took advantage  
Of a straight believing town  
That tore the bandage  
And said ?Look, who's bleeding now?  
Are you listening or are you faithless like the others?

Long days are almost here  
Faded signs for you  
I'll be waiting all day  
I've been waiting all year  
For you, it's true

He's been beaten  
Might have brought it on himself  
So he stopped reading  
Every book on mental health  
But all's not lost in this tangle like no other

Long days are almost here  
Faded signs for you  
I'll be waiting all day  
I've been waiting all year  
For you, it's true

Take this dose and go  
Whiskey warm September  
The faded sign will show  
That he still remembers

Long days are almost here  
Faded signs for you  
I'll be waiting all day  
I've been waiting all year  
For you, it's true

Waiting all day  
Waiting all year  
Waiting all day  
Waiting all year

I'll be waiting all day  
I've been waiting all year

I'll be waiting all day  
I've been waiting all year

I'll be waiting all day  
I've been waiting all year  
I'll be waiting all day  
I've been waiting all year

I'll be waiting all day  
I've been waiting all year  
I'll be waiting all day  
I've been waiting all year
