Gold and Green  
Red and Blue  
Are the lights on the signs that line Charlotte avenue.  
From the corner window, I watch the falling white  
flakes.  
God must be carving the clouds into animal shapes.

Animal shapes, animal shapes  
God must be carving the clouds into animal shapes.

We have no goodwill, no goodwill to give.  
To those who try to take away the things we need to  
live.  
Friend, this is from your friend, offa Natchez Trace.  
The last dream left worth believin' starts with animal  
shapes.

Animal shapes, animal shapes  
Nothing better get in the way of whatever it takes.

Later on, somewhere else, I said some things I didn't  
mean.  
Yes, I know everybody's on a first name basis with the  
king.  
From a corner window, I watch the falling snowflakes.  
God must be carving the clouds into animal shapes.

Animal shapes, animal shapes  
God must be carving the clouds into animal shapes
