Tide to the oceans
A million chuckers never felt wrong
Lookin' at you, I'm-a-starin'
Look at how you make me feel good, now
Broken like you know the child diction
Over at the naked show
Sarah couldn't make you feel down, now
Down, down, down, down,
Down, down, down, down,
Down...

Woooo-oooh (4x)

Wait...
For the last man
Last man never had a chance
So he went out behind the shed
And bought himself a little cigarettes
Underground, diggin' for a treasure map
Find your answer
When you ask, please ask me
Ask me to stay
And I say...

Woooo-oooh (4x)
