Ya see the stage, and I'm live on the video

Wait, wait, they be in a Trans.

They wanna know can he sing just like he dance

A hot girl won't 'cha come and take a chance

Keep poppin' Mama, bout that drama

Come and grab my hand, You back's it up

I sex's it up, you say Lil' Kool the man

How ya like it, gotta love it

Come on girl dance, keep poppin' girl

Keep poppin' girl, this is yo last chance

If you like it and you love it

Come on girl dance, come on girl dance

[Chorus]

[Twerker]

Them girl's won't Twerker the Lil' shiner

I'm off the heezy, comin' straight from Alaweezy

Representin' Take Feezy

Now let me see ya act a clown, show me what 'cha

I got them solids in the bottom, and two at the top
So let me see ya, wobble de wobble and drop it like it's
hot
You know we on the rise, you know what's happenin'
with us
So don't be lookin' all suprised, if do just back it on up
I gotta have a hot girl who can show me her world
Nice shape, tight grill, long hair chris curl
Now haters, get yo boot on up
Get wild without an smile, and I'm tatted on up
Bounce Squad actin' bad, boy we bout to bust out
On shine all the time, Take Fo chain crushed out
For my hot girls let me see ya twerkin' and floss
Don't worry bout them haters
Tell them nigga's who they want!

[Chorus]

[Wille Pucket]

Who they won't Lil' Will with the Tenth Ward grill
Bounce Squad on the job try'na make a mill
Since I'm makin' them duckets they lovin' Wille Pucket
Jub set it off to trust, but look I'm out here to bust it
Non stop Doggie Hop, W.P. close shop
Give 'em what I got, I like to hit the right spot
Have 'em singin' what I got, make the pussy bop
Make yo body pop, so let me drop it like it's hot
Somebody call the Police!
Cuz I bring the heat!
Get that kat out of here!
He can't dance like me!
I'm gettin' ready, gettin' sweaty
Sex it up, till I'm deaf ridin' with Bigg Ramp
Bounce Squad bout they snap's
Million Dollar H.B. all hang with me
Ridin' Four Runner's, and Grand Pries

[Chorus]

[Anky]

They wanna villain like me
