I see your face before my eyes,  
I'm falling in to darkness  
Why must I fight to stay alive?  
Heroes fallen  
Wake me, can you hear me calling?  
Out of darkness they come crawling

Here I am  
I am lost in your land  
And I hope you will be  
Creeping in my soul  
Shadows fall  
Let me out  
Hear my call  
And I'll always believe  
Creeping in my soul

Creeps in the deep  
Gonna be freakin' up your mind  
Creeps in the deep  
Gonna be freakin' up the spine

I fade away into the night  
My eyes are closing in  
Echoes are fleeing from the light  
My nightmares can begin

Wake me, can you hear me calling?  
Out of darkness they come crawling

Here I am  
I am lost in your land  
And I hope you will be  
Creeping in my soul  
Shadows fall  
Let me out  
Hear my call  
And I'll always believe  
Creeping in my soul

Creeping in my soul

It's getting out of control  
I've gotta find my escape  
And get out of this black hole  
'Cause justice in the world is hard to find  
Time has come, gotta make up my mind  
No matter how deep or remote you hide  
All my thoughts seem curled up inside

Creeps from the deep  
Gonna be freakin' up your mind  
Creeps in the deep  
Gonna be freakin' up the spine

Here I am  
I am lost in your land  
And I hope you will be  
Creeping in my soul  
Shadows fall  
Let me out  
Hear my call  
And I'll always believe  
Creeping in my soul...
