(Christi BauerLee/Kayta Matsuno)

I do what I do
Cause it makes me feel good
I feel what I feel cause I know that it's real
I say what I say
Saying what's on my mind
I'm touched what I'm touched by
Got nothin' to hide

Let me inspire you
Golden dreams feel alive too
If anyone tries to get in the way
Knows its only out jealousy childplay

Cause only heaven knows
Everything that I need to know
Now that's why I'm not lettin' go
I know cause only heaven knowsâ€¦ that I

I do what I do
Cause it makes me feel good
I feel what I feel cause I know that it's real
I say what I say
Saying what's on my mind
I'm touched what I'm touched by
Got nothin' to hide

Don't let time go slippin'
Silly what ifs no questions why
Who says you can't do what you want to do
Keep getting up getting to it

Cause only heaven knows
Everything that I need to know
Now that's why I'm not lettin' go
I know cause only heaven knowsâ€¦ that I

I do what I do
Cause it makes me feel good
I feel what I feel cause I know that it's real

I say what I say
Saying what's on my mind
I'm touched what I'm touched by
Got nothin' to hide

I play what I play cause I'm diggin' that way
I know who I am no one tells me either way
I give what I can know it makes me feel good
How will you ever know if you never do

I do what I do
Cause it makes me feel good
I feel what I feel cause I know that it's real
I say what I say
Saying what's on my mind
I'm touched what I'm touched by
Got nothin' to hide
