(James Stricklin)

There are times when we hurt  
And life isn't fair  
That's when we need someone to count on

All alone with no one  
To be there for you  
Pick up the phone  
And call - I'll be there

Love will stand, Proud and strong  
Even when, all things go wrong  
Come to me  
When you need  
Someone who cares, cuz I'll be there  
In your Arms

As I walk - Room to Room  
I see visions of you  
Alone - Afraid, needing me  
Yes I know, there is pride in everyone's heart  
But pride is never stronger  
Never stronger than love

Love will stand, Proud and strong  
Even when, all things go wrong  
Come to me  
When you need  
Someone who cares, cuz I'll be there  
In your Arms

I am here - Take My Love - Touch my hand - take my  
love  
Love gives us hope and takes away the pain

Love will stand, Proud and strong  
Even when, all things go wrong  
Come to me  
When you need  
Someone who cares, cuz I'll be there

In your Arms

I'll be there - touch my hand - take my love - someone  
who cares  
'cuz I'll be there  
In your arms - in your arms.
