(Christi BauerLee/Tom Fletcher)

Has there been a time in your life
When your spirits robbed from tragedy
Your faith has been tested, arrested with sadness,
holding on to everything

Angels hugging you within their wings
Keep you safe from insecurities
Taken everything I got, not going to let you give up,
if it takes all of my energy

Now I'll take your hand
You will pull through
You got so much living in this world that you still have
to do
So don't give up now
The light shines on you
Keep your strength so you can share that
special gift that God has given to you

Can you hear me whisper in you ear
Can you taste the salt from my tears
I'll always protect you, let no-one hurt you, sacrificing
anything

You mean everything in the world to me
Without you would be pure robbery
I throw my hands in the air and than I scream
Your gonna hold on tight, I know your gonna fight

Brother take a hold of my hand
Our love will fight it all the way
I'm down on my knees, begging you please, Lord -
Bring him back to me

Now I'll take your hand
You will pull through
You got so much living in this world that you still have
to do
So don't give up now

The light shines on you
Keep your strength so you can share that
special gift that God has given to you
