(Debbie Hupp/Bob Morrison)

He was one of those wealthy Williamson County boys
She lived on a farm way out on the rural route
So without a little twist of fate -
They never woulda met on the road that day
She'd run out of gas - and he stopped to help her out.

She said "I can't be late for my job at the Dairy Queen
I could really use a ride, but I wouldn't wanna trouble
you."
She liked his smile he liked the way she looked -
Before she even got her seat belt hooked
She was feelin' right at home in his BMW.

Anything can happen in a workin' girl's dreams
In a Harlequin novel or a "Sleepless In Seattle" scene
All she needed was a ride to work
When along came a knight in a Calvin Klein shirt - but
hey hey
Anything can happen in a working girl's dreams -
In a workin' girl's dreams

He watched as she walked away in the parking lot
She looked back and saw him headed for the ATM
Then he drove through the drive-thru seventeen times
The manager said: that boy's lost his mind."
But the fry cook said: "I think you should go out with
him."

Anything can happen in a workin' girl's dreams
In a Harlequin novel or a "Sleepless In Seattle" scene
All she needed was a ride to work
When along came a knight in a Calvin Klein shirt - but
hey hey
Anything can happen in a working girl's dreams -
In a workin' girl's dreams

Anything can happen in a workin' girl's dreams
Anything can happen -
Anything can happen in a working girl's dreams,

in a workin' girl's dreamsâ€¦
