I thought I had it all mapped out  
Where to go, and how to get there  
But I guess we're just as lost as before.  
Just look at all we've had  
And all the time that's passed  
We're going nowhere fast  
So it seems we're stuck in place,  
But who's to say we won't escape?

#### CHORUS

What if we could throw our plans away?  
Risk it all on what we're dreaming  
I don't see a reason why we should wait.  
I will let you lead the way  
With all the chances we are taking,  
Well I, I don't wanna be the reason that we stay.

Why stay?  
Thought you had it figured out,  
What you wanted, how to find it,  
But I still don't know what we're looking for.  
Just look at all we've lost,  
And all the time it's cost,  
Is this a hopeless cause?  
So it seems we're stuck in place,  
But who's to say we won't escape?

#### CHORUS

Why Stay?  
I don't see a reason  
Why stay?  
Risk it all on what we're dreaming  
So it seems we're stuck in place,  
But who's to say we won't escape?

#### CHORUS

Why stay?  
I don't see a reason why,  
So why stay?

Why stay?

I don't see a reason why, I don't see a reason why
