Falling  
Falling  
Falling into you  
High above this room

Don't stop with the beat  
To the base drum  
Don't stop with the beat  
To the base drum  
Don't stop, don't stop  
To the base drum

Don't stop, don't stop  
Don't stop, don't stop

Falling  
Falling  
Falling into you  
Don't know what to do  
You got me  
Falling  
Falling  
Falling into you  
High above this room

Say I  
Just can't believe by the way  
That I feel when I'm  
Hearing this music  
It comes way deep with inside  
A magic appears on my face  
\_\_\_ as a light is for blinking  
A new beginning  
And this is how I feel

I feel the rhythm in the music  
Really jammin'  
The people  
Dance and groove and move  
And play for talent  
So won't you

Step to me and show me how to do it  
You got me right up to you  
So excited what to do  
You've got me

Falling  
Falling  
Falling into you  
I don't know what to do  
You got me  
Falling  
Falling  
Falling into you  
High above this room
