I feel
So much better than I did yesterday
The way I am
I know good things are gonna come my way
But from now on
It's gonna fight to fight by yourself
(But won't you make it suffer)
Everyday
Because that's the game you play
(Or maybe there is no other)
Give my heart away
That's the game you play

Chorus:
(Gonna make it happen)
I'm gonna make it happen
(I'm gonna be your fool)
Not gonna be your fool
(One day you will discover)
I will discover
(You can break the rules)
That you can break the rules

I've seen
The way you twist words everyday
The way you are
This love could never ever feel the same
(Or maybe there is no other)

Because she's everyday
It's just a game you play
(Or maybe is no other)
Give my heart away
'Cause that's the game you play

Lovin Lovin
It feels so wrong
Lovin Lovin
You for so long
There's no lovin
Oh for so long

Now you're trying to make a fool out of me

Chorus:

(Gonna make it happen)

I'm gonna make it happen

(I'm gonna be your fool)

Not gonna be your fool

(One day you will discover)

I will discover

(You can break the rules)

That you can break the rules

Baby
