Hey

1, 2, 3, 4

Why do you do

This to me?

Must love me, hate me

Just let me be

I've heard it all

All this before

You killer

This is my life

Why you playing this game

You're following me privately

So that

Nobody knows that you're stalking me

Get over it

I am not yours to keep

Damn it

Calling me names

Like I'm some kind of freak

Dirty thoughts

Run through your head

I had wanted to feel

You're not quite, your mad

You speak of threats

To mamma who yells

You are not a man

So I don't give a damn

Chorus:

Gonna shut your mamma up

Shut your mamma down

Shut your mamma

'Cause I'm sick of the sound

Gonna shut your mamma up

Shut your mamma down

Shut your mamma

'Cause it's fists to the pound

(Bark bark)

Don't make me talk  
Telling me all the things you found out  
You're still a child  
Trying making demands  
Your mamma needs to get off my back  
Damn it  
Calling me names  
When she don't know the facts

You step to me  
Like you're a star  
Show that badaass attitude  
You won't get too far  
You're blaming me  
For things you're to blame  
Damn it  
That false attitude don't \_\_\_\_\_

You lie and cheat  
Cry on TV  
That you don't own the song  
Especially not me  
Miss -- Giver is what you are  
You are not a man  
So I don't give a damn

Chorus:  
Gonna shut your mamma up  
Shut your mamma down  
Shut your mamma  
'Cause I'm sick of the sound  
Gonna shut your mamma up  
Shut your mamma down  
Shut your mamma  
'Cause it's fists to the pound

Dirty thoughts  
Run through your head  
I had wanted to feel  
You're not quite, your mad  
You speak of threats  
To mamma who yells  
You are not a man  
So I don't give a damn

Chorus:  
Gonna shut your mamma up  
Shut your mamma down  
Shut your mamma

'Cause I'm sick of the sound  
Gonna shut your mamma up  
Shut your mamma down  
Shut your mamma  
'Cause it's fists to the pound
