What do you need to overdo again?  
What detachment we put together. Now  
Selfcontrol is a discussable status  
Reason is exposed to unselfish attack,  
(Sensitive to every terse farewell)

An unwelcome assumption preserves whole  
Now I want it, then I get bored  
I don't care who you fuck  
I don't want it nomore, out of limit-time  
(You haven't to understand, it's easy  
You're fuckin' my brain)

Or maybe yeah  
Deja-vu

A useless sacrifice  
You don't care to know what I think  
I recognize attitude like yours  
Inexperience leads you to believe in mirage  
But I lost my innocence quite a time ago.

(Estrangement)
