Your cover girl's attitude  
Feeds my most secret imaginations  
Your sharp glance expresses your charm  
Everybody want something from you.  
And you know that you can trifle with anyone  
But not with me, honey, not with me, ohnono

Vanishing girl, vanishing girl  
You aren't a pushover  
Oh vanishing, vanishing, vanishing girl  
Vanishing girl, vanishing girl  
You expect to be  
My cover girl

(Then...)

Suddenly what was incontrovertible  
Appears debatable.  
Why when I try to love her,  
Her passions change continually?  
Why every time is always so  
Is always so heartbreaking?

Vanishing girl, vanishing girl  
You aren't a pushover  
Oh vanishing, vanishing, vanishing girl  
Vanishing girl, vanishing girl  
You expect to be  
My cover girl

What does it mean thinking about what  
We can't be if we want the same things?  
Why lying when both know also the most  
Indisputable lie will be likely?  
Why building a wall on which cry  
Only to protect our livid conscience?  
How much pain will live in our hearts  
'Cause of we buried our emotions?

Vanishing girl, vanishing girl  
You aren't a pushover

Oh vanishing, vanishing, vanishing girl  
Vanishing girl, vanishing girl  
You expect to be  
My cover girl

(Blow me a kiss, I wish you)
