"Smash The Fellow"

Your son will set off with a one way ticket
Why he grow up to become a death's tool?
Why drowning our minds in mother's tears?
Why blasting our doctrine in wife's pain?

The brave poor warrior and the abject leech,
Feed the hate, hate, hate, hate between crowds
The proud of the unrespectful "profanes" and the
forged "belivers",
Cause my hate.Cause my hate.Cause my hate.Cause
my hate.

SMASH THE FELLOW, SMASH THE FELLOW, SMASH THE
FELLOW

SMASH THE FELLOW, No reds & whites, no blacks &
yellows

If the exaltation of a crowd where self meaning
Nevertheless, wouldn't be called euphoria
If your priorities are fleeting
How long will debts have to be paid?
If the war wasn't a dirty mathematic play
Nevertheless, wouldn't be reduce to an opinions
exchange

Savages search a land to sterilize
An unknown mystery tie us, not death.
"From the bleeding mouth of the men-heater monster
I contemplate the dismembered rest of the brothers
Who eat other brothers, who eat other brothers,
Who eat other brothers, who eat other brothers"

Intolerants and hypocrites
Why should our life be yours too?
Why have we to die for your lies?
Ehi man, do you need to protect you?
Whose is it the fault?

D'you think to be able to protect your beloved?
D'you think to be able to satisfy their requests?
So conform you to their desires and become a puppet

But I can't permit that vampires suck other blood.

SMASH THE FELLOW, SMASH THE FELLOW, SMASH THE
FELLOW

SMASH THE FELLOW, No reds & whites, no blacks &
yellows

SMASH THE FELLOW, SMASH THE FELLOW, SMASH THE
FELLOW

SMASH THE FELLOW, No reds & whites, no blacks &
yellows
