I am just discovering you
And you say, you don't know what you want
You belong to the wind
It takes and leaves you

You aren't free
You can't believe you can decide

Indifferent only in appearance
I search your eyes to say it to you
So I realize
It's the same to you

You aren't free
You can't believe you can decide

Sweet Fire eyes
You haven't yet solved
Sweet Fire eyes
I can't resist no no

Your glance sinks
As water into oil
You haven't safeties
'Cause you won't lose

You aren't free
You can't believe you can decide

True love is not illusion
'Cause time nourishes it
Try until you're sure
Run against the wind

You aren't free
You can't believe you can decide

Sweet Fire eyes
You haven't yet solved
Sweet Fire eyes
I can't resist no no
