Take me to your river, baby, take me to your sea  
Purify my soul an' pour your ocean over me  
Lead me to your chamber, where you sleep at night  
Scratch your name across my back, make me feel  
alright  
You're the best time I have ever had  
You look so good, oh babe, you must be bad  
Diamonds on your ankles, sapphires on your shoes  
Your little gems of wisdom chase away my blues  
Mama's little princess, daddy's pride and joy  
I'm like a kid at Christmas, playing with your toys  
You shake me in the morning, I wake up black an' blue  
Ooh child, you act so wild, I'll name a hurricane after  
you  
Scarlet fever kisses, little miss Dynamite  
Youngblood, you look so good, I'm gonna leave on all  
the lights  
So I can see where I'm goin', baby  
(Solo)  
So take me to your river, baby, take me to your sea  
Purify my soul an' pour your ocean over me  
Lead me to your chamber, where you sleep at night

Scratch your name across my back, make me feel  
alright

I have never felt this good before

If you want I'll sleep outside your door

You're the best time I have ever had

You look so good, oh babe, you must be bad

You must be bad
