"Waiting On You"

Visit "[Waiting On You](#)" on MotoLyrics.com

My heart is breaking, my whole life is shaking.
Every way I turn, I know this love is gonna burn me
But, I'm waiting on you, no matter what you do

Ever since you went away, I suffer each an' every day
An' I can't hide the heartache anymore,
You left me all alone, just waiting by the telephone,
Too scared to step outside this prison door

An' I'm waiting on you

No matter what you say, no matter what you do,
This heart is dedicated to you
'Til the rivers run dry and the sun no longer shines,
I'm still gonna make you mine
I'm waiting on you, waiting on you

Ever since I started drinking, my ship's been slowly
sinking,
So tell me what's a man supposed to do
When people stop and stare and see me drowning in
despair,
'Cos it's written on my face, what I've been going
through

An' I'm waiting on you

No matter what you say, no matter what you do,
This heart is dedicated to you
'Til the rivers run dry and the sun no longer shines,
I'm still gonna make you mine

I'm waiting on you, waiting on you
I'm waiting on you, waiting on you

My heart is breaking, my whole life is shaking
Every way I turn, I know this love is gonna burn,
Love is gonna burn, love is gonna burn
Burn me, baby, burn, your love is gonna burn

Ever since you went away, I've suffered each an' every

day
An' I can't hide the loneliness no more
All the tears I've cried, all the love I've been denied
An' still you find me waiting on you, baby, baby, babe

No matter what you say, no matter what you do,
This heart is dedicated to you.
'Til the rivers run dry and the sun no longer shines,
I'll be waiting on you, waiting on you.
My heart is dedicated to you,

An' I'm waiting on you, waiting on you.

No matter what you say, no matter what you do,
This heart is dedicated to you.
'Til the rivers run dry,
I'll be waiting on you, waiting on you.
My heart is dedicated to you,

An' I'm waiting on you, waiting on you.

No matter what you say, no matter what you do,
My heart is dedicated to you.
'Til the rivers run dry,
I'll be waiting on you, babe.
