[Sun]

Is your smile genuine?  
Are you that really kind?  
Do you like money and what it can bring?

[Mai]

Where would you wanna hide?  
What would you seek?  
Would you want what you thought what you want  
If no one can see  
No one can see...

[Sun]

See the pretty lights, pretty smiles  
A long way from home

[Mai]

See the wretched starts, burnt out sun  
Out on your own

[Sun]

See our story, come - sing along  
What would you know?  
This is your song

[Mai]

This is your song

[Mai]

Is your smile genuine?  
Are you that really kind?  
Do you like money and what it can bring?

[Mai & sun]

It can bring...

[Sun]

Where would you wanna hide?  
What would you seek?  
Would you want what you thought  
What you want  
If no one can see...

[Mai]

No one can see...

[Sun]

Is your smile genuine?

[Mai]

Are you that really kind?

[Mai & sun]

Do you like money and what it can bring?  
[Sun]  
Where would you wanna hide?  
[Mai & sun]  
What would you seek?  
[Sun]  
Would you want  
[Mai]  
What you thought  
[Sun]  
What you want  
[Mai & sun]  
If no one can see... see...  
[Mai & sun]  
See the pretty lights, pretty smiles  
A long way from home  
See the wretched starts, burnt out sun  
Out on your own  
See our story, come - sing along  
What would you know?  
[Mai]  
This is your song  
[Mai]  
Oh I know...  
[Mai & sun]  
Where I'd rather be...  
[Mai]  
So I'm holding on  
[Mai & sun]  
Going strong  
Join the race, I'll be first place  
Give me glue, we'll be good as new  
[Sun]  
See the pretty lights, pretty smiles  
A long way from home  
[Mai]  
See the pretty lights, pretty smiles  
A long way from home  
[Sun]  
See the wretched starts, burnt out sun  
Out on your own  
[Mai]  
See the wretched starts, burnt out sun  
Out on your own  
[Sun]  
See our story, come - sing along  
What would you  
[Mai & sun]  
Know  
[Sun]  
This is your song

[Mai]  
This is your song  
[Sun]  
This is your song  
[Mai]  
This is your song
