Set the clock back to '79
They said we weren't there
Sent us to grind our teeth on a wheel
We said we didn't care

Damn it's good to be back again
Raise your glass to the boys
Stand up and brace yourself
We're gonna make some noise

'Cuz we're Bombshells
Bombshells of rock 'n' roll
Bombshells
Bombshells

The sleeping giant is awake at last
To the sound of guitars
The amplifiers roar a deafening blast
We're gonna take what's ours

Three decades couldn't keep it down
The man was in control
A thunderstorm is about to hit this town
We're gonna rock 'n' roll

'Cuz we're Bombshells
Bombshells of rock 'n' roll
Bombshells
Bombshells

WATCH OUT!

Set the clock back to '79
Somehow we were there
Sent us to grind our teeth on a wheel
We still didn't care

Damn it's good to be back again
Raise your glass to the boys
Stand up and brace yourself
We're gonna make some noise

'Cuz we're Bombshells
Bombshells of rock 'n' roll
Bombshells
Bombshells
Bombshells, rock 'n' roll
Bombshells, we're back around
Bombshells, I think I hear them fall
Bombshells, yeah!
