"Live Forever"

You're going down,
On your own speedway to destruction
Taking every chance,
Riding life on the fast lane
It's so much easier without plans,
Not to mention someone like you
Don't wants to know bout' the next day

Do you want to live forever
Live so long, nothing matters
Do you want to live forever
Merciless, a mindless beast
Do you wanna, do you wanna,
Do you wanna live forever

Living fast, with no regrets,
It could keep going on and on.
You wish these years would never end,
Like a mirror reflection of your youth.
You see no pain, just the pleasure
Step on the other skull for fun,
Ignore the human at your side
To pacify the beast inside.

Do you want to live forever
Live so long, nothing matters
Do you want to live forever
Merciless, a mindless beast
Do you wanna, do you wanna,
Do you wanna live forever

Oh, even if you could prevail,
My friend, you'd see you'd fail
Because being alive
Does not mean that you're not dead inside

Do you want to live forever
Live so long, nothing matters
Do you want to live forever
Merciless, a mindless beast
I don't wanna, I don't wanna,

I don't wanna live forever
No no no, No no no, I don't wanna live forever
