If you've never felt  
An aching in your heart  
You've never been in love, and  
You've never been apart

There's one golden rule  
That I was never told  
It takes more than a romance  
To stop you feeling old

You girl, I think about you  
On my mind  
For you, it's true  
Am I too late?

Say there's no such thing  
As civil civil war  
And every time I fight it  
I never feel sure

You girl, I think about you  
On my mind  
For you, it's true  
Am I too late?

(Repeat)

'Cause I will break your heart  
And I only know what was  
So hide under your tongue  
Are you better off alone?

You girl, I think about you  
On my mind  
For you, it's true  
Am I too late?

(Repeat)

'Cause I will break your heart  
And I only know what was

So hide under your tongue  
Are you better off alone?

(Repeat)
