### "Minor Threat"

We're not the first, I hope we're not the last  
'Cause I know we're all heading for that adult crash  
The time is so little, the time belongs to us  
Why is everybody in such a fucking rush?!

Make do with what you have  
Take what you can get  
Pay no mind to us

We're just a minor threat  
We're just a minor threat

Early finish, I was late to start  
I might be an adult, but I'm a minor at heart  
Go to college, be a man, what's the fucking deal!?  
It's not how old I am, it's how old I feel

Take your time  
Try not to forget

We never will  
We're just a minor threat

We're just a minor threat

And that's a promise
