Guess it's over  
Call it a day  
Sorry that it had to end this way  
No reason to pretend  
We knew it had to end  
Some day  
This way  
Guess it's over  
The kicks are gone  
Whats the use of trying to hang on  
Somewhere we lost the key  
So little left for you and me  
And it's clear to see  
Too much too little too late to lie again with you  
Too much too little too late to try again with you  
We're in the middle of ending something that we knew  
Was over  
Too much too little too late to ever try again  
Too much too little too late lets end it being friends  
Too much too little too late we knew it had to end  
And it's over  
Yes it's over  
The chips are down  
Baby all our bridges tumble down (to the ground)  
Whatever chance we tried  
Let's face it why deny  
It's over  
Too much too little too late to lie again with you  
Too much too little too late to try again with you  
We're in the middle of ending something that we knew  
Was over  
It's over  
Too much too little too late to lie again with you  
Too much too little too late to try again with you  
We're in the middle of ending something that we knew  
Was over  
Too much too little too late  
Too much too little too late..
