Hey!

I was so wasted

I was a hippie

I was a burnout

I was a dropout I was out of my head

I was a surfer

I had a skateboard

I was so heavy man, I lived on the street

I was so wasted

I was so fucked up

I was so messed up

I was so screwed up I was out of my head

I was so jacked up

I was so drunk up

I was so knocked out, I was out of my head

I was so wasted

I was wasted

Go!

Someday

I'll feel no pain

Someday

I won't have a brain

They'll take away the part that hurts and let the rest
remain

Fix me

Fix my head

Fix me please, I don't wanna be dead

Someday

We'll all be rich

Someday

I won't listen to you bitch

I'll turn up the volume and you can hear the shit we play
just for you

Fix me

Fix my head

Fix me please, I don't wanna be dead

I'm fixin'
