We are the black sheep, dirty freak
Red-headed step-child
We are the born bad, nomad
Turn it up and get wild
We are the stones that keep rolling
We are the sweetest sin you welcome in and leave
before the morning

'Cause we
Are
The Crazy Ones
The mavericks, the dreamers, the forgotten sons
We color outside the lines for fun
We
Are
The Crazy Ones
'Cause we
Are
The Crazy ones
The badass, outcast, son of a guns
We march to the beat of a different drum
We
Are
The Crazy Ones
We
Are
The Crazy Ones

We are the new-school, no rules
Needle in a haystack
We are the outsiders, all nighters
Scream if you're a badass!
We are the wheels that keep turning
We are the heart breakers, risk takers
Anything but boring

'Cause we
Are
The Crazy Ones
The mavericks, the dreamers, the forgotten sons
We color outside the lines for fun

We
Are
The Crazy Ones
'Cause we
Are
The Crazy ones
The badass, outcast, son of a guns
We march to the beat of a different drum
We
Are
The Crazy Ones
We
Are
The Crazy Ones

One of a kind, believe it
So stand up and make 'em see it
Yeah!

'Cause we
Are
The Crazy Ones
The mavericks, the dreamers, the forgotten sons
We color outside the lines for fun
We
Are
The Crazy Ones
'Cause we
Are
The Crazy ones
The badass, outcast, son of a guns
We march to the beat of a different drum
We
Are
The Crazy Ones
We
Are
The Crazy Ones
We
Are
The Crazy Ones
We
Are
The Crazy Ones
