Theres really no denying that medicine aint cheap  
But the CEOs are rolling in fields of cash they reap  
When theres people dying cause they cant afford to  
live  
Its time to stop the taking, somethings got to give

When every other nation, that we call civilized  
Will take care of their people, from birth until they die  
Why cant my home, America, give all of us health care?  
Why must I go to Canada to buy my meds up there?

So lets get together for America  
Land of equality, home of the free  
Lets put Howard Dean in the white house  
Cause its our house, not George Bushs house  
Lets get on track and take our country back

Well civil rights have come so far, and many more can  
vote  
But theres still lots of work to do, just have a little hope  
MeetUp with our community, together well Move On  
Cause the bigots and the racists and homophobes are  
wrong

Our nation is a Common Dream of a just society.  
With hope, mouse-pads and shoe leather, well make it  
reality  
Where all the different stripes of folks can live in  
Common Cause,  
And overcome our differences, our ignorance and  
flaws.

So lets get together for America  
Land of equality, home of the free  
Lets put Howard Dean in the white house  
Cause its our house, not George Bushs house  
Lets get on track and take our country back

If you want a healthy country, better vote for Dean  
For fiscal sanity we better vote for Dean  
For true security we have to work for peace

To keep your privacy you better vote for Dean  
For education funding better vote for Dean  
For real diplomacy weve got to fire George Bush  
Cause regime change starts at home

The credit card conservatives wanna make the  
government drown  
In a sea of debt so they can tear our s
