Read between the lies of homespun advice
Nothing that you say, let's carry on here

Seething day to day, Its not possible to fray
View it coming anyway, Please carry on here

Let's redesign the goings on, Hey optimism anyone?

We believe the currency of love
We believe the virgin falls in love
Care free the beat'll pass it on,
Please believe the currency of love

Watch your vital signs, Complete the no holds guy
Now you won't be advised, let's carry on here

Resupply ok fine, baby you're right
so much more than I can take
please carry on here

Let's redesign the goings on
Hey optimism anyone?

We believe the currency of love
We believe the virgin falls in love
Care free the beat'll pass it on,
Please believe the currency of love

Entertain you
Rearrange you
Forever claim you

Its demanding
Not understanding
But everlasting

Let it soothe you
Creep into you
And all that moves you

Cause you're seeking
Cause you're needing
So start believing

We believe the currency of love
We believe the virgin falls in love

Care free the beat'll pass it on,
Please believe the currency of love
