They took everything you want,  
Wrapped it in a box, locked it in a key  
Made of high rise stucco walls,  
Polyester guards, moving metal sink  
Oh, oh, oh, oh  
Armed with curtain rod swords, shields of cardboard,  
two-wheeled steed,  
I swarm the cul de sac, get things back on track,  
bring you what you need  
You would do the same for me  
But I might have lost my mind!  
Chorus:  
I can never show you what you gave to me  
A shape before, a make believe  
I wouldn't want to stay here in my incomplete  
Shaken up realities  
I'll give everything i've got to fill the canyon with  
useless debris  
From plastic foliage, collected catalogs, and other  
figurines  
I would sentence everyone over 21 to the guillotine  
Stay never understood  
Our neck of the woods and what it all means  
This is not I game for me  
But I might have lost my mind!  
Chorus:  
I can never show you what you gave to me  
A shape before, a make believe  
I wouldn't like to stay here in my incomplete  
Shaken up realities! Shaken up reality!  
you would do the same for me  
but i might have lost my mind  
i can never show you what you gave to me  
a shape before, a make believe  
i wouldn't like to stay here in my incomplete  
shaken up realities  
I really like to be there when you raise for me  
A shape before, a make believe  
I wish I could just warn you what my death will be  
Shaking up realities!  
shaken up realities
