Back in bendings  
I'm easily amused  
Back stop calling  
We're running out of room

Mouth in sharp pen  
Little grooves on display  
But I'm still waiting  
For something nice to say

Mean spirits are high  
Mean spirits high

Please go on and on  
This beauty and your venom  
I love to play and sing along  
I love to play and sing along

Too late to decide  
My lips are open wide  
I love to play and sing along  
I love to play and sing along

You stare at my shoulders  
Are you surprised to see?  
One more tempo  
The angel you should be

Mean spirits are high  
Mean spirits high

Please go on and on  
This beauty and your venom  
I love to play and sing along  
I love to play and sing along

Too late to decide  
My lips are open wide  
I love to play and sing along  
I love to play and sing along

High, high!

Please keep going on  
Oh my sweet venom  
I love to play and sing along  
I love to play and sing along

Too late to decide  
My lips are open wide  
I love to play and sing along  
I love to play and sing along
