Where it starts
And where it ends
Is here in my bedroom

Chatter from vents
Is the only thing seeping through

I see spiders defend
The same space I'm living in
I should be calmer to mend
The words are mattering

What am I waiting for?
Somebody to break in
What am I aiming towards?
A fight that never ends
What am I searching for?
A light to shine again

A silent curtain
Still the world's still grinning
I need a strong arm my friend
To keep me from simmering

What am I waiting for?
Somebody to break in
What am I aiming towards?
A fight that never ends
What am I searching for?
A light to shine again

Nothing's coming
Nothing's coming
Nothing's coming

If I get up
I'll let this end
Where do I begin?

What am I waiting for?
Somebody to break in
What am I aiming towards?

A fight that never ends
What am I searching for?
A light to shine again

Nothingâ€™s coming
Nothingâ€™s coming
Nothingâ€™s coming
Nothingâ€™s coming
Nothingâ€™s coming

Thatâ€™s where it starts
Thatâ€™s where it ends
Thatâ€™s where it starts
Thatâ€™s where it ends
Thatâ€™s where it starts
And where it ends
