Stayed out about 2 hours too late and now it's hard
gettin' out of this bed
Man my boyfriend was a pain in the butt last night
And now he's an ache in my head,
I stubbed my toe on the dresser
And I guess it's too late to shower and do my hair, yeah

Throw a ball cap on, hell half the day is gone
And nothin' else could go wrong, wo ah oh wo ah oh
50 bucks is all I got, When times are tough it's time to
shop
And the credit card will buy a lot, wo ah oh wo ah oh
What's another bill to pay, it's that kind of day
yeeeeaaaah

Got 26 messages on my voicemail, and I've only called
my best friend back
And I told her when it comes to my life these days
I'm somewhere between a cry and a laugh
She said my mum just called her and, said I look like
I've gained 5 pounds, oh

Slip into my fat jeans, overdose on icecream
Treat the day just like a dream, Wo ah oh wo ah oh
Hope I see someone I know, and I'll smile and put on a
show
Say I got somewhere to go, wo ah oh wo ah oh
Everyone's got somethin' to say, it's that kind of day

Standin' still on the interstate
And I swear some old lady just flipped me the bird, ha
hoah

It's gotta go up from here, today is gonna disappear
And nothin's gonna interfere, wo ah oh wo ah oh
Gonna buy myself some flowers, and then spend a
couple hours
Talkin' to my higher powers, wo ah oh wo ah oh
Ask him why life's this way, Yeah I'm gon' ask him why
my life's this way
There's just no tellin' what - He's gonna say - Oh it's

that kind of day

Hey yeah, Hey yeah yeah
Oh yeaah hey yeah
