I sit outside when my heart is heavy
And look up to the sky
I talk to my father
And remember all the times
That he cared for me

Chorus

I won't forget your great love
That has set me free
It's that love that you've shown
That has set me free
I'll always remember
The day your son came and rescued me
I won't forget how you loved
One lost sinner like me

When I look at my life
How you've changed and cleansed me
I'll always remember
And never forget
How you loved
One lost sinner like me

Chorus

I won't forget your great love
That has set me free
It's that love that you've shown
That has set me free
I'll always remember
The day your son came and rescued me
I won't forget how you loved
One lost sinner like me

Chorus

I won't forget your great love
That has set me free
It's that love that you've shown
That has set me free
I'll always remember
The day your son came and rescued me
I won't forget how you loved

One lost sinner like me

Coda

I won't forget how you loved

One lost sinner like me
