No life for living  
Where there's no time for giving  
No sign of loving  
In this age of push and shoving  
Another man with a broken heart  
Can you see the pressure tearing me apart?  
There's so much for me to overcome  
Should I stay or fight?  
But where else is there I can run?

How can i get out?  
There's no way I can get out  
How can I get out?  
There's no way i can get out

No life for living  
Where there's no time for giving  
No reassuring can end what I'm enduring  
I'm looking hard for the slightest sign  
Hear your words echoing around my mind  
I'm starting to believe what the papers say  
Yet one more blow  
I'm reeling but I can't run away

How can I get out?  
There's no way I can get out  
How can I get out?  
There's no way I can get out

But if you'd open your eyes  
You'd know there's so much you could do  
If you'd open your eyes  
You'd make a thousand wishes come true  
Well this must be one of the troubles of the living  
In this forgotten town  
Don't get me wrong  
Hear the hollow words ringing, now the chips are down

No life for living  
Where there's no time for giving  
No reassuring can end what I'm enduring

How can i get out?  
There's no way I can get out  
How can i get out?  
There's no way i can get out

But if you'd open your eyes  
You'd know there's so much you could do  
If you'd open your eyes  
You'd make a thousand wishes come true  
Well this must be one of the troubles of living  
In this forgotten town  
Don't get me wrong  
Hear the hollow words ringing, now the chips are down
