If I could find words to tell you I'm sorry
Make you understand, I mean just what I say
After all that I've heard, why should I worry
When we ride the fine line between love and hate ?

If I had been wise, well how could I doubt you ?
Now I'm all alone, my life in disarray
But try as I might, I can't live without you
So I cling to the hope of a bright brighter day

Oh I know we've been through this all before
How can I prove my love for you is real ? No I can't do
anymore
If I could only find words

(And still he has dreams) and still I must learn to cope
(Absurd as it seems) I still have hope

If I had good sense and heed all the warnings
I would let it be (let it be) and leave all well alone
But there's no recompense for waking up mornings
Feeling sure it's myself who's the foolish one

Yes I know we've been through this all before
How can I prove my love for you is real ? No I can't do
anymore
If I could only find, if only I could find, if I could only
find words.
