Brothers, sisters
The war is coming so you better stand strong
Brothers, sisters
If peace was in this war it would have already gunned
you down
I said get down, I said down

We got one unit lost and the others too proud
Down get down, down I said down
We got one unit lost and the others too proud

You're a Foxhole Jesus Christ
Anyone can be a hero if they don't think twice
You foxhole Jesus Christ
Don't be a martyr, man

You're a Foxhole Jesus Christ
Anyone can be a hero if they don't think twice
You're a Foxhole Jesus Christ, you're a Foxhole Jesus
Christ
I hope your funeral smells nice, I hope your funeral
smells nice

Brothers, sisters
The war is coming so you better run fast
Brothers, sisters
If peace was in this war it would have already gunned
you down
I said down get down, I said down

We got one unit lost and the others too proud
Down get down I said down get down
We got one unit lost and the others too proud

You're a Foxhole Jesus Christ
Anyone can be a hero if they don't think twice
You Foxhole Jesus Christ
Don't be a martyr, man

You're a Foxhole Jesus Christ
Anyone can be a hero if they don't think twice
You're a Foxhole Jesus Christ, you're a Foxhole Jesus

Christ
I hope your funeral smells nice

War, war, what is it for?
I say war, war, what is it for?
I say war, war, what is it for?
I say war, war, what is it for?

I say war, war, what is it for?
I say war, war, what is it for?
I say war, war, what is it for?
I say war, war, what is it for?

You're a Foxhole Jesus Christ
Anyone can be a hero
You Foxhole Jesus Christ
Don't be a martyr, man

You're a Foxhole Jesus Christ
Anyone can be a hero
You're a Foxhole Jesus Christ
Jesus Christ

You're a Foxhole, you're a Foxhole, you're a Foxhole
You're a Foxhole Jesus
You're a Foxhole, you're a Foxhole, you're a Foxhole
You're a Foxhole Jesus

You're a Foxhole, you're a Foxhole, you're a Foxhole
You're a Foxhole Jesus
You're a Foxhole, you're a Foxhole, you're a Foxhole
You're a Foxhole Jesus

War, war, what is it for?
War, war, what is it for?
War, war, what is it for?
War, war, what is it for?

I say war, war, what is it for?
War, war, what is it for?
And what is it for?
