Mary Jayne, I'm gettin' so fed up with all the shit
That everyone keeps handing me
Mary Jayne, whisper in my ears
'Cause you're the one that truly understands me
Mary Jayne, you know you build me up
And I just beg you girl to never leave me

I wanna hear ya scream my name, Mary Jayne
Oh, you get me fucked up, get me fucked up inside my
brain
Scream my name, Mary Jayne
Oh, you get me so high, get me so high, I can't, I know I
can't

Baby, baby, won't you just sit back
And help me feel the path out so much faster
A psychedelic little point of view that opened up my
eyes
Mary Jane, don't let the peace run dry
So please spark me right now, right now

I wanna hear ya scream my name, Mary Jayne
Oh, you get me fucked up, get me fucked up inside my
brain
Scream my name, Mary Jayne
Oh, you get me so high, get me so high, I can't

Mary Jayne, don't you know I like to change
Which way the river flows
She slides down inside me softly
Claims my soul and never ever want to leave
Well I just wanna fly

I wanna hear ya scream my name, Mary Jayne
Oh, you get me fucked up, get me fucked up inside my
brain
Scream my name, Mary Jayne
Oh, you get me so high, get me so high

Mary Jayne, don't you know I just wanna fly all night
I just wanna fly, yeah
And get fucked up

And get fucked up

M-m-m-my Mary Jayne
