Baby when I met you there was peace unknown
I set out to get you with a fine tooth comb
I was soft inside there was somethin going on
You do something to me that I cant explain
Hold me closer and I feel no pain
Every beat of my heart
We got somethin goin on
Tender love is blind
It requires a dedication
All this love we feel
Needs no conversation
We ride it together ah-ah
Makin love with each other ah-ah

Chorus:

Islands in the stream
That is what we are
No one in-between
How can we be wrong
Sail away with me to another world
And we rely on each other ah-ah
From one lover to another ah-ah

I cant live without you if the love was gone
Everything is nothin if you got no one
And you did walk in tonight
Slowly loosen sight of the real thing

But that wont happen to us and we got no doubt
Too deep in love and we got no way out
And the message is clear
This could be the year for the real thing

No more will you cry
Baby I will hurt you never
We start and end as one in love forever
We can ride it together ah-ah
Makin love with each other ah-ah

Repeat chorus
